ABOUT ME

I am an MCA student at PES Modern College of Engineering with practical experience in full-stack web development, specializing in the MERN stack. I have completed a certified course from Apna College and developed multiple projects, including Amazon, Spotify, and Airbnb website clones, a Tic-Tac-Toe game, an IPLT20 website clone, and Simon Says game. I am committed to continuous learning and eager to contribute as a full-stack developer in a growth-oriented organization.
